A SALUTE TO THE JUNIOR HIGH

For years and years this building was the home of all six grades of high school. Now it has stepped back to make way for another structure, and to serve only as a junior high. This arrangement offers many advantages to the students of the junior high in that they are not lessened in importance by the upper classmen. They are given a better chance to exercise their own initiative.

Now instead of turning out its graduating classes of seniors, Ross Junior High will be sending forth students well prepared to enter the halls of the new senior high to continue their education. Thus, this building will never cease its important task of preparing young people for the future.

Ross High Alma Mater

Hail the Giants, Hail to Ross;
May the breeze our Banner toss.
See our colors, loved and fair,
Streaming in the evening air.
Lo, the western sky aflame,
At the praise of thy dear name.
Thro' the twilight shadows dim,
Faint, sweet echoes of this hymn.
Alma Mater, hail to thee!
True and loyal hearts have we!
Well we've loved thee in the past,
Still we'll love thee to the last.

FAREWELL FROM THE SENIORS

We, the senior class of 1959, have the distinct honor of being the first class to graduate from this new school. We will always remember the fun and good times we've experienced here. We'll remember the first hectic week while we got acquainted with the building, becoming just as confused as the underclassmen.

We enjoyed initiating the Little Theater with our play, "The Barretts of Wimpole Street." Many memorable experiences arose from this class production. We were glad to have a part in showing our school off to the public in other ways too. The open house nights and the dedication gave us these opportunities.

Our class has worked well together and we have derived a great deal of pleasure from everything we have done as a whole. Although we will probably never be together as a complete class again after Commencement, we will always remember and reminisce about our wonderful days in our last year of high school. As we go into the world—whether it be to college, jobs, or military service—we will reserve a place in our hearts and minds for our Alma Mater.

ADMINISTRATION

Seated left to right: Paul Wetrmester, Orvil Otermat, James Lee, Neil Berlekamp, A. E. Rupp, Donald Hirshberger, and Lamar Joseph.

BOARD OF EDUCATION

All the work that the Board of Education put in supervising the building of our new high school was justified at the dedication when the key and charter were presented. We are grateful for the interest they have shown in all phases of schooling in Fremont.

Gustorf Secretaries

Mrs. Pat Weiler, Mrs. Margaret Jaderstrom, and Miss Judy Paul.

MR. ALLEN E. RUPP

Superintendent

Through the past five years of our high school education, we have come to know Mr. Rupp as the ambitious and constantly busy man he is. He is indeed a man of wisdom and foresight, as the building of our new school certainly shows. We feel proud to be able to say, "He is our superintendent."

MR. C. R. COOPER
Senior High Principal

We, the class of '59, wish to thank Mr. Cooper, our principal, for everything he has done for us. Our class fully appreciates the understanding and guidance which he so earnestly and willingly shares with each student. The administration of our new senior high school has been very ably handled by Mr. Cooper.

MR. H. RANDALL MILLER

Senior High Assistant Principal

A cheery greeting and a ready helping hand characterize our assistant principal. His tasks are many and varied and require unlimited effort, foresight, and sometimes a great deal of patience. Through the years, we have come to know him as a close friend and wise counselor.

*See Mr. Miller
in the
yearbook*

MISS IMOGENE FORSYTH

Senior High Counselor

With the building of the new school, a new position, Counselor of Senior High Girls, has also been added. Filling the shoes of this new position is Miss Forsyth. Not only the senior high girls, but everyone is grateful for the excellent work she has done in addition to her regular teaching schedule.

MR. ROBERT SEELE

Junior High Principal

When a principal was needed for the junior high, Mr. Seele was known to be the most capable man for the job. He is continuing the excellent work he always turned in as Dean of Boys. All junior high students wish to thank him for making their first year as a separate school run so smoothly.

MISS THELMA HUGHES

Visiting Teacher

Miss Hughes is noted for her understanding and guidance in counseling students. Better relations between home life and school is also an important part of her work. We will long remember her with "wisdom and laughter in her eyes, justice on her lips, and kindness in her heart."

MR. PAUL RAINES

Junior High Assistant Principal

New to the job of assistant principal of the Junior High School this year, but familiar to every student, is Mr. Raines. Although this is his first experience directly with junior high students, he has performed his duties with great efficiency and has already endeared himself to the students.

SENIOR CLASS SONG

Tune . . . "Unchained Melody"

Now we pass before you, on our separate ways
And bid you good-bye.
Farewell to our memories of all those precious days
With you Ross High.
The games we've cheered,
The tests we've feared,
We leave it all today.

To each student we, wish you good luck,
In all you do.
And to every teacher goes a thank you.
We appreciate all that you've done, helping us on;
We'll remember all, after we've gone.

As we leave these hallways, we all will hesitate
And breathe in a sigh.
First to walk these aisles and first to graduate
From new Ross High.
We thank you all in every way for helping us this day.

All our friends we leave, no longer here
By our side.
Now we look to God as our guide.
We are on our own, going forth, heads held high;
We will lead the world by and by.

Director—Mr. Kooistra

The A Cappella Choir was really in good voice this year. This energetic organization added to many school activities. To start off the year, they sang for the dedication of the school. We all remember the Candlelight Christmas concert held in the new gym. The choir also sang at the library and for the Whirlpool party at Christmas.

Individual members sang at the District II Choir Festival in Gibsonburg and at the Choir Festival in Delaware, Ohio.

The big event of the year was the Buckeye Conference Choir Festival at our new high school in April. To finish the year, the choir sang for the Baccalaureate service.

In recalling the past year, one can't forget the appearance of the band in their new uniforms, the result of several candy drives and other projects. Flashing their instruments, they presented many new intricate drill routines and clever half-time shows. Members themselves will particularly remember the convenience of the practice field, the march to the stadium, and the ceremonies at the last game. Our snappy marching band under the direction of Jack Stierwalt assisted by Walter Sells was truly a credit to our school this year.

Following football season, the group presented several concerts under the direction of Walter Sells with Jack Stierwalt as assistant and played at the district and state band contests. They were hosts for the Buckeye Conference Band Festival and presented a concert with the choir in May.

NATIONAL FORENSIC LEAGUE

Looking back, we remember how active this club was. The mysterious Miss Hall Monitor and the morning pep talks which stimulated interest in the magazine drive were highlights of the year

This club represented Ross High in the District Prince of Peace contest and won high ratings and honors in many speech contests around the state

In January, they sponsored an individual events tournament in our new school; they climaxed a very active speech year with a banquet in May

NATIONAL THESPIANS

This club, composed of juniors and seniors active in Ross High dramatics' activities, staged the unforgettable senior and junior class plays, many one-acts, an Easter play, and presented numerous dramatic and humorous readings.

The outstanding social events to be remembered were the Recognition Banquet and the Awards Assembly, both held in the spring.

Big business at "Ye Olde Supply Shoppe"

Beginning the year with a mock meeting held as an assembly, the Student Council embarked on an ambitious campaign to do as much as possible for the school this year. Ye Olde Bookstore was visited by nearly everyone throughout the year. Other projects consisted of scheduling of assemblies, meetings, and dances, the revision of the student handbook, and the handling of "lost and found". Committees composed the "Code of Conduct" and rewrote the constitution.

Mr. Horner

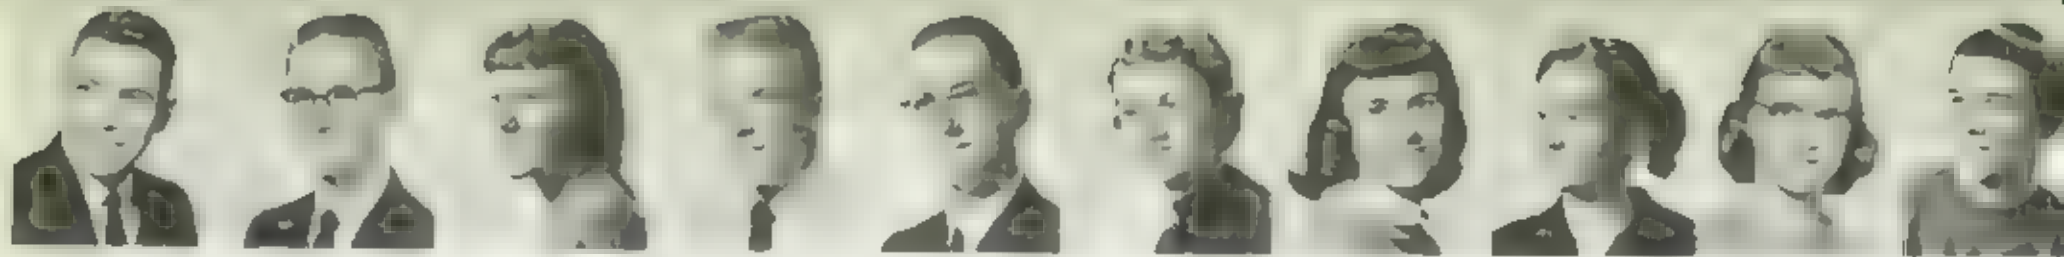

School spirit was given support by other projects — shakers, chartered buses, and car caravans. Important to all of us was the purchase of the Hi-Fi financed by the Wes Hopkin's record hop and donations from school organizations. Also to be remembered are the faculty banquet, National Honor Society, and the parties enjoyed by council members.

STAFF

Printing pictures

Is this the way you want it Juri?

Even though the preparation of the annual required a lot of work, time, blood, sweat, and tears, the staff seemed very co-operative through the whole job. Many nights were spent toiling away in room 108 until 10 or 10 30. Pictures had to be pasted, write-ups to be written, and pages to be arranged. The junior staff, which was larger than last year's, assisted in the work to gain experience for next year's annual work

FUTURE TEACHERS OF AMERICA

Reviewing the year's activities of the Future Teachers of America, we see that they have been very busy. Mr. Horner spoke to the club at the initiation meeting in November. After that, the meetings consisted of interesting and informative discussion on such topics as: "College Entrance and Education," "College Life," "Teacher Placement," "Getting a Job," and "Teaching Career—Present and Future." Also at these meetings the members saw films and received pamphlets. In April the club visited elementary schools where they observed teaching methods.

FUTURE NURSES OF AMERICA

Wearing their nurses caps to school on the day of initiation, our future nurses reminded us of their activities. Throughout the year they viewed movies about nursing careers and heard guest speakers connected with the profession. Members did volunteer work at the hospital during the second semester and assisted with flood relief work. Social events included Christmas caroling and also a picnic in May.

CLUB

Recalling the rabbits in the courtyard and the mice in the halls, one naturally thinks of Biology Club. Having perhaps the largest membership in its history, the club was extremely active in sponsoring field trips and the County Science Day. Regular meetings were concerned with such topics as sugar manufacture, psychology, food production, and veterinary medicine. In addition to the annual Lake Erie field trip, others were taken to the Toledo Zoo, Cleveland Health Museum, and other places of interest in the area. The club presented the movie *Living Desert* in an assembly and members entered projects in the science day contests.

Members of the Library Club, the group that is responsible for keeping the school library running smoothly, worked harder than ever this year because of the new library. Besides their regular duties, they engaged in several projects throughout the year. At Christmas they purchased new children's books and gave them to the King's Daughters for distribution to needy children. A faculty tea was held, and new books were displayed in the spring; a picnic honoring senior members was held in May.

New facilities and a new instructor seemed to inspire Art Club members to attempt many projects this year. We've all noticed the decorative posters advertising school events, and who could forget the Christmas decorating done in cooperation with the Student Council? Then too, the beautifully painted windows at Birchard Library was another example of their efforts.

Members also enjoyed club parties throughout the year and a field trip to The Toledo Art Museum in December.

FUTURE HOMEMAKERS OF AMERICA

Treasurer—Illa Jean Miller, Parliamentarian—Shirley Berberick, President—Brenda Michael, Vice President—JoAnn Digman, Secretary—Rae Havis

When looking over the year's activities of the Future Homemakers of America, we find that they've done many interesting things.

An organization meeting was held in September, followed by a guest night in October, and the initiation of 14 new members in November. The girls had a Christmas party and dressed dolls for the King's Daughters. At the next meeting the degrees and individual awards were given out; in February they held a party for their mothers. A county meeting in Green Springs followed by a State Convention and a Parent-Daughter Banquet occurred in March and April. To end the year, the girls held a picnic and had a meeting in honor of the seniors.

FUTURE FARMERS OF AMERICA

In looking over the records, we find that the Future Farmers of America held a series of interesting programs this year. The district officer spoke at one of the meetings, farm insurance was the highlight at another, and films were shown at the balance of the meetings. To climax the year, the seniors were honored at a banquet in May.

We see, in looking back, that this year's club was very active. The orientation and formal initiation was held in October, also occurring in October were the state convention and informal initiation. The club had a Christmas party and gave a food basket to a needy family. In February the club attended the Northwest Regional Planning Meeting in Napoleon, Ohio. Many of the members attended the Spring convention at Columbus.

SOPHOMORE MAGAZINE

Every year the sophomore class tries to top the preceding years' sophomore booklets of original stories and poems written by the students of the class. By way of improvement over previous magazines, this year's edition was printed by a publishing company instead of being mimeographed. Many hours of planning and organization were poured into making the finished product something of which to be proud.

While reminiscing, we recall the good times and the things learned at monthly Friday meetings of the Spanish I Club. Students took turns in giving talks on subjects about Spanish-speaking countries and in acting out simple Spanish playlets.

At Christmas they made a candy-filled pinata for their Christmas party and sang Spanish songs. In February they attended the annual Spanish banquet and tried many novel Spanish foods.

Reviewing the activities of the Spanish II Club, we realize that they had a successful and interesting year. Skits, playlets, reports, games, and songs in Spanish helped the students to understand the language and to learn about the fascinating customs, history, and daily life of the Spanish-speaking people of the world.

They had two parties—a Christmas party and a Spanish Banquet. At the banquet, the president of the club acted as toastmaster, and everyone enjoyed a full course Spanish dinner while listening to Spanish music and being entertained by Spanish skits

FRENCH CLUB

French students met once a month to increase their knowledge of France and its language. At each meeting conducted entirely in the French language, members learned about French customs, industries, history, famous citizens, and other interesting topics from reports given by the pupils.

In addition to this, everyone participated in French skits and games, sang French songs, and ate delicious French foods. In May, the members and parents prepared and enjoyed an eight course French banquet complete with French dances and music.

CINCINNATI PURCELL

A power packed Purcell team handed Fremont Ross its first defeat since 1954 by downing the Little Giants 12-0 at Harmon Field on September 12.

The Little Giants twice penetrated to the Cincinnati 29 yard line but Ross was unable to sustain any major drive during the game.

TOLEDO WAITE

Fremont Ross was defeated for the second straight time as Toledo Waite topped the Little Giants 32-14 on the Harmon gridiron September 19. Fremont's two touchdowns tied Waite in the third quarter, but there was no stopping the Indians in the closing minutes of the game.

FOSTORIA

Ross finally jumped into the win column by defeating Fostoria 16-7 on the home grounds at Harmon Field on September 26. Kimble scored for the Redmen in the first half, but touchdowns by Gnepper and Ohms put a damper on Fostoria's hopes for victory.

SANDUSKY

Ross's traditional rivalry with Sandusky was renewed at Strobel Stadium October 10 as Sandusky overran the Little Giants 46-0.

Touchdowns by White, Young, and Nesbitt and a recovered freak end zone fumble gave the Blue Streaks a long sought victory over Fremont.

FINDLAY

The Little Giants lost their first Buckeye Conference game in four years to the Findlay Trojans 14-12 on October 3 at Findlay.

Ross, on two touchdowns by Jim Ohms led at the end of the first half 12-0, but Findlay's two touchdowns and extra points in the second half edged out the Purple and White in one of the most thrilling games of the season.

FOOTBALL

ELYRIA

The Little Giants were edged out by Elyria 24-20. Touchdowns by Otermat and McCarthy had given Fremont the half-time lead, but Elyria recovered in the second half and won by a late fourth quarter TD.

LORAIN

Despite scores by Ohms and Nitschke, the Little Giants were defeated by the Lorain Steelers 22-12 at Harmon Field on October 23. Second half touchdowns by Jones and Martin clinched the game for Lorain.

MARION

A fifth straight Buckeye Conference game ended in a defeat for the Little Giants as Marion gained a 40-6 victory. A brilliant 95 yard run by John Nighswander held the Prexies until the second half when the Marion powerhouse could not be stopped.

COLUMBUS SOUTH

Toughening under defeat, the Little Giants battled Columbus South to a 6-6 tie. In the first half, Ross held the score in its favor on a run by Lloyd Both, but Columbus evened the score when Bob Goodwin made a TD.

SCOTT

Fremont Ross played its first scoreless tie since 1948 as the Little Giants and Toledo Scott battled to a 0-0 draw. The closest Ross came to a score was in the third quarter when the Giants reached the Scott 27 yard line before losing possession of the ball.

June 4th 1959

Bob,

I've never gone with a nicer guy. So now
you have been gentle, thoughtful, and very
understanding. I hope some day we can
have a home of our own, a home filled
with the love and happiness that all
couples should have. I hope, too, that God
will always be with you and bring you
home safe and sound to me. Especially
when you have to join the Air Force I'm
really going to miss you and I'll
always be here waiting for you faithfully.
I'll never even think of other fellows,
just you and how wonderful it will
be to have you home in my arms.

When you are alone or whenever
you are away from me, remember I am
home thinking of you and sending
a prayer your way every day.

Good-bye, good luck, and
God be with you always.
